Chapter 1A | Counting the Number of The Beast

Here is wisdom. Let him who has understanding calculate the number of the beast, for the number is that of a man; and his number is six hundred and sixty-six.
Revelation 13:18

With the overall introduction to the antichrist of Revelation, in both chapters 11 and 13, the Holy Spirit through John left us with what's known today as Revelation 13:18's principle, that has, for many centuries, intrigued and confused many, leaving many theoretical estimates as to who this man of sin may be, leaving the vast majority of Christians discouraged at the idea of ever seeking to find the right answer to what seemed to be a great unattainable mystery.

Yet, the same verse inspired from John's time, has also given all Christians both then and throughout history, all the way to today, the hint in that whoever amongst them that had understanding by the wisdom given by God, **would be able to calculate the number of the beast, being the number of a man and thus find out and understand who the man of sin is, it wasn't a principle for the saints of the final century, but for the saints of John's time onwards.**

The number, as it was inspired by the Spirit, is not a set of repeated units as the world's westernized numbering system represents it, the majority of people rightly assuming it is the 6 repeated three times, being that of **6 – 6 – 6**, not fully realising in that the same number, when inspired through the roman numeral system was **DCLXVI** as that of the number **six hundred and sixty six (600, 60 and 6).**

The Lord founded the means to the answer of the great mystery by the foundation of that of wisdom, without it, the Christian would not have the understanding to comprehend this great mystery. The wisdom, not being that of man's wisdom, but that of God's wisdom.

So how is this gift of divine wisdom manifested? The answer must be rooted in the Bible, being the Logos and the living God Himself, who is the Word, the which points us to the honouring of the patterns given in it to be able to interpret all of it. In this case, in the context of the counting of the number of the beast, we ought to find what Biblical patterns are out there that teach us to count given equations in their symbolical interpretation.

First we must take into account that God gave us a full number that appears to be repetitive, the six, in hundreds, tens and units, as though there is a sense in the which these are separate, yet one, being three separate sums, that give the fulness of the equation, being 600, 60 and 6. Seeing that the Biblical pattern that has been given to us in the Scriptures, when it comes to interpreting prophetic numbers has been that of weeks, signifying literal years, such as Daniel's 70 weeks, we can rightly, if we honour the pattern of Scripture, do the same to interpret the number of the beast.

When it comes to apocalyptic or prophetic counting, we must take into account that when Daniel was introduced to prophetic numbering, the angel that talked with him spoke of **69 weeks from the restoration of Jerusalem, until the birth of our Lord, our Messiah the Prince, being that of 483 years from the decree of Xerxes to restore Jerusalem in 445BC.** When looking back, Christians have been able to, in the height of simplicity (as it is always God's will for His saints to interpret His word) esteem that 69 x 7 equals 483, meaning that every symbolical week given signified 7 years for 7 symbolical days. Leaving the prophetic gap of the church age since our Lord and Savior's first coming, crucifixion, death and resurrection, all the way to the final week of Daniel, being the 70th week of the antichrist's reign.

Thus, if we take the prophetic numbering approach in adding years to the numbers, to count the 600, then 60 and then 6, we must also subtract the years, with their equivalent tens and units, meaning that if we start with the 600 of the number of the beast by years, we must then also interpret the second amount, being 60 (being the lesser figure) by the lesser quantity in times also, being months, the 6 following also in weeks, giving us a total amount of 600 years, 60 months and 6 weeks to count the number of the beast.

Seeing that the believers in John's time were given the hints to identify the number of the would-be-resurrected damned man that will be the antichrist of Revelation 11, they

 ECRAM | 2026 All rights reserved.

must have concluded that the same man would already be identifiable by being a dead biblical and likely historical figure.

Thus, if we are to use God's prophetic numeric calculation with the number of the beast, as well as identifying the man from an already historical perspective by 90AD, we ought to subtract the said amount backwards, yet the question comes to mind,

From what historical point exactly? Many answers could be given, yet divine wisdom would always points us, as **1 Corinthians 10 verse 31** tells us in that, **"Therefore, whether you eat or drink, or whatever you do, do all to the glory of God."** the greatest answer as to where to start counting backwards, **is that from the point in history that glorifies God and His heart most, pointing to one person, the Lord Jesus Christ.**

If we were to count backwards from the birth of our Lord Jesus Christ, the which date of birth has been heavily contested and studied amongst scholars, we must at least get the overall **approximate dates into full account**, to give an approximate answer also (as it is impossible to identify an exact year).

This is because the approximate estimates of our Lord's birth always mainly land at around **6 to 4BC, if not 6 to even 1BC** due to differentiations of historical perspectives by historians such as Josephus and historical Christian scholars such as Clement of Rome, whose mixed records always differentiate in matters such as the death of Herod either being in **4 or 1 BC**, due to lunar eclipses that took place on both times, Jesus having been born before Herod's death, by both Luke's and Matthew's accounts, leaves us to conclude that Jesus had to be born anywhere around **6 to 1 BC.**

We must also, not only take into account the approximate birth of Christ to make our calculation, **but most importantly, the probable dates for His crucifixion, resurrection and ascension,** becoming different to estimate due to what is known as the arithmetic calendar and the Jewish age reckoning, also used in the language given in the gospels, meaning that:

1) **Calendar Arithmetic:** There is no year 0, meaning that every calculation from the 1 BC year, to AD1 must subtract a year to avoid overcounting.
2) **Jewish Age reckoning:** The Jews counted someone's age from birth and not at the exact date within the next year, being what is now known as western modern age precision. (e.g. in an ancient Jewish age reckoning, if Jesus had been born in 1BC He would be at 1 years old from that same year regardless of what time of the year he was born)
    - Jews also counted partial years as full years.
    - Ages were spoken of in round figures.

Exact birthdays were not emphasized, being what's called inclusive reckoning, meaning that what would be referred to a modern **32-34** years of age today would be described back then as **"about 30 years old"** The word used in **Luke 3:23 being, ὡσεὶ (hōsei):**

"Now Jesus Himself began *His ministry* *at* about thirty years of age, being (as was supposed) *the* son of Joseph, *the son* of Heli,"

"as if," "approximately," "about"

Giving most scholars the liberty of interpreting the approximate date of both the birth and crucifixion of the Lord Jesus at about 6-1BC and 30-33AD due to the Bible's Jewish inclusive reckoning in counting partial years as full years and not being exactly precise on whether Jesus was exactly 30 years old, without the emphasis of an exact year, the which could technically have meant that He could have been, by the same Jewish age reckoning, anywhere between 30-36 years old (the higher number being unlikely, yet possible due to our Lord having had a 3 year ministry that could have started at 33 years old.)

What's clear about all of this is that Jesus exact birth, ministerial age and crucifixion cannot be given with a definite answer, leaving the historical estimates to be from 6 to 1BC in regards to His birth, anywhere between 30 to 33 years old in regards to His ministerial age and the years being at about 30 to 33AD by the time of His crucifixion.

Friday of April 13, 33AD Nissan 1 being the most accepted and well received date by scholars all over the world.

By having taken this timeline for the estimates of Jesus' birth to count backwards, we must also take into account in that by the time that John was given the Revelation of our Lord Jesus Christ, the Jews and a lot of cultures at the time counted by what's now known to be today as, **"prophetic years" being years of an equivalent of 360 days, each month being only 30 days, unlike the modern universal calendar that counts by solar years of 365 days with 7 months being 31 days.**

If we use the prophetic calendar to count 600 years, 60 months and 6 weeks from about 6 to 1BC backwards, we have:

600 years × 360 = 216,000 days

60 months × 30 = 1,800 days **(5 years)**

6 weeks × 7 = 42 days

Total = 217,842 days

We have to count 217,842 days from about 6 to 1 BC backwards (being a total of 605 years and 42 days) landing us exactly at the very beginnings of the Jewish

Babylonian exile that officially began in 605BC, the exact dates being 604 to 598 BC, being also the same years wherein Tyre began to increase, exalt itself and highly prosper.

This is where it gets very interesting, if we use the same prophetic calendar to count 600 years, 60 months and 6 weeks from about 30AD to 33AD backwards, counting the same 605 years and 42 days backwards, we land exactly in the years - 576BC to 573BC, being exactly 3 years of the end of the reign of Ithobaal III, the year 573BC being the exact year of his death.

So why is this individual important? He just happens to be the King of Tyre of the account of Ezekiel 28, the only person in all of the Bible, who alongside the end-times antichrist, believed himself to be God and is, like the antichrist of Revelation, directly connected with the ocean and the bottomless pit.

Chapter 1B | The Identified Man and His Correlated Attributes to The Antichrist of Revelation.

When it comes to the bottomless pit, **Revelation chapter 11**, wherein we find the introduction to the antichrist of revelation, reads, **"When they finish their testimony, the beast that ascends out of the bottomless pit will make war against them, overcome them, and kill them."**

The, **"them"** that the verse speaks of is that of **the Two Witnesses** who will prophesy in Jerusalem for **3 years, 5 months and 11 days** after the sixth trumpet judgement has sounded.

Meaning that the antichrist of revelation will only be manifested at the end of the Two Witnesses prophetic days by the means of resurrection, ascending out of the bottomless pit, **the which has no place for metaphorical interpretation, being hell itself.**

When it comes to the ocean, before introducing the antichrist's symbolic nature of that of a dragon with 7 heads that has 10 horns with 10 crowns, Revelation shows us John literally standing on the sand of the sea as he sees the beast literally ascending out of the ocean. **Revelation 11 verse 1 saying,**

"Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name."

So how are both the King of Tyre (being Ithobaal III) and the antichrist of Revelation both tied to the bottomless pit and the ocean?

The scripture says concerning the King of Tyre, when God used the word of Ezekiel to condemn him in Ezekiel 28, verses 1 to 10, quoting,

"The word of the Lord came to me again, saying,

"Son of man, say to the prince of Tyre, 'Thus says the Lord God:

"Because your heart *is* lifted up,
And you say, 'I *am* a god,

[The beast will have a satanic self-deception of self-attributed deity status]

I sit *in* the seat of gods,
In the midst of the seas,'
Yet you *are* a man, and not a god,
Though you set your heart as the heart of a god
(Behold, you *are* wiser than Daniel!
There is no secret that can be hidden from you!
4 With your wisdom and your understanding
You have gained riches for yourself,
And gathered gold and silver into your treasuries;
By your great wisdom in trade you have increased your riches,
And your heart is lifted up because of your riches),"

[The beast will have great wisdom to attain to the riches of the world in the end times]

'Therefore thus says the Lord God:

"Because you have set your heart as the heart of a god,
Behold, therefore, I will bring strangers against you,
The most terrible of the nations;
And they shall draw their swords against the beauty of your wisdom,
And defile your splendor.
They shall throw you down into the Pit,

[The beast ascends out of the bottomless pit/hell]

And you shall die the death of the slain
In the midst of the seas.

[The beast ascends out of the sea]

“Will you still say before him who slays you,
‘I *am* a god’?
But you *shall be* a man, and not a god,
You shall die the death of the uncircumcised
By the hand of aliens;
For I have spoken,” says the Lord God.’ ”

Moreover, the same chapter continues God’s message to the king of Tyre through Ezekiel, yet more particularly, with a direct message to the one possessing him, that being the devil.

Verses 11 to 19 say,

“Moreover the word of the Lord came to me, saying, “Son of man, take up a lamentation for the king of Tyre, and say to him, ‘Thus says the Lord God:

“You *were* the seal of perfection,
Full of wisdom and perfect in beauty.
You were in Eden, the garden of God;
Every precious stone *was* your covering:
The sardius, topaz, and diamond,
Beryl, onyx, and jasper,
Sapphire, turquoise, and emerald with gold.
The workmanship of your timbrels and pipes
Was prepared for you on the day you were created.

“You *were* the anointed cherub who covers;
I established you;
You were on the holy mountain of God;
You walked back and forth in the midst of fiery stones.
You *were* perfect in your ways from the day you were created,
Till iniquity was found in you.

“By the abundance of your trading
You became filled with violence within,
And you sinned;
Therefore I cast you as a profane thing
Out of the mountain of God;

And I destroyed you, O covering cherub,
From the midst of the fiery stones.

"Your heart was lifted up because of your beauty;
You corrupted your wisdom for the sake of your splendor;
I cast you to the ground,
I laid you before kings,
That they might gaze at you.

"You defiled your sanctuaries
By the multitude of your iniquities,
By the iniquity of your trading;
Therefore I brought fire from your midst;
It devoured you,
And I turned you to ashes upon the earth
In the sight of all who saw you.
All who knew you among the peoples are astonished at you;
You have become a horror,
And *shall be* no more forever."

By this we know that both the Antichrist of Revelation and the king of Tyre have a direct demonic possession and influence with the devil himself.

All the shared characteristics of both the king of Tyre
(Ithobaal III) and the Antichrist of Revelation can be found in the next page,

How do we know this is undeniably, the antichrist of Revelation? Because unlike current premillennialism **(which is the most accurate end times view in the Bible)** that highly correlates the antichrist with the White Horseman, First seal of Revelation 6 by attributing **Daniel 11 verses 21 to 35** to him, doesn't currently take into full account in that these very same verses are to be disregarded completely in connection to the antichrist of Revelation due to them **having already been fulfilled with the person of Antiochus Epiphanes back in 175 BC to 164 BC** and do not coincide with the antichrist of Revelation, who will fulfil the subsequent **36 to 45 verses of Daniel 11**, the which Epiphanes did not fulfil during his lifetime.

According to Revelation's account, when the antichrist is revealed, he will be manifested and revealed for the first time as the world's savior **from the Two Witnesses 3 years, 5 months and 11 days of torturous prophetic ministry.** This is also possible because unlike current premillennialism, when the antichrist shows up, **he will not establish his ten world rulers, as well as his one world government,** according to Daniel and Revelation, the new world order and its ten rulers **will first be established as that of Revelation's post-seals-post-trumpets-circumstantially-forced new world order,** being the fourth beast of Daniel 7. The which, by the time the antichrist is manifested to kill the Two Witnesses and establish his world pact with the Jews and the nations, in decreeing the idolatrous Jewish and god of fortresses sacrificial system for **the first 21 months of his 42 month reign,** he will cause three of the already set up world rulers to fall and be replaced, as Daniel 7 teaches,

"After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it *was* diverse from all the beasts that *were* before it; and it had ten horns. I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn *were* eyes like the eyes of man, and a mouth speaking great things." (Daniel 7:7-8)

Taking into account that the text says, **"…Whom there were three of the…" "…first" horns."** Daniel clearly giving the right order of the last days world government, being that of the horns (being the ten world rulers of the antichrist kingdom) **having been established, before the little horn shows up, whose manifestation caused the first three horns to be plucked up by the roots, meaning the new world order and the ten rulers precede the antichrist, perfectly aligning with the book of Revelation of the sinful world's resurrected and then enthroned savior from the Two Witnesses.**

It is not impossible to come to the conclusion that if **Ithobaal III** is truly the antichrist (everything in scripture, as well as the calculating of his name pointing to that conclusion) he then, having been resurrected and being sent great delusion (as part of

the judgement that will also be given to the inhabitants of the earth) will receive it as means of judgement, for having believed himself to be, “God” and not man, such a delusion having his time and memories of hell suppressed as part of the judgement and will likely (with a subconscious understanding of his past experienced torment, as well as satanic possession) then explain his blasphemous nature against God and his ultimate and subconscious supernatural wicked rage against Him. **Second Thessalonians chapter 2, verses 7 to 12 say** concerning the great coming delusion the antichrist world will be subjected to,

“For the mystery of lawlessness is already at work; only He who now restrains *will do so* until He is taken out of the way. And then the lawless one will be revealed, whom the Lord will consume with the breath of His mouth and destroy with the brightness of His coming. The coming of the *lawless one* is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. And for this reason God will send them strong delusion, that they should believe the lie, that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.”

The reason as to why the antichrist is called the antichrist, is because he is in every form, **not only opposed and contrary to Christ, he is also the complete contrast to the true Christ, being Jesus, meaning that in his nature, life and attributes, the man of sin was and will be the manifestation of the contrast of the Son of Man altogether.**

Ithobaal III is the only person in all of history who perfectly matches every attribute of the antichrist of Revelation, as well as the overwhelmingly coincidental counting of the number of the beast, perfectly correlating 600 years, 60 months and 6 weeks with the prophetic calendar with both Tyre’s rise and prosperity, as well as the final 3 years of his life and death backwards from our Lord and Savior’s birth, as well as earthly ministry, crucifixion, death and resurrection.

Ithobaal III is further correlated with the Christ of Scripture (as two contrasts) in the table of the next page,

Ithobaal III experiencing the overwhelming height of riches, power and prosperity in an earthly kingdom that hated the people of God at around 604-598BC.	**Jesus experiencing the height of poverty, humility and low estate as He was born in a manger under a poor family that loved the people of God at around 6 to 1 BC.**
Ithobaal III was possessed by the most evil spiritual entity that existence has ever known and will know, being the devil.	**Jesus being one with the most pure Spiritual person that has been in this earth for 2000 years, being the Holy Spirit who is God Himself also and one with the Father.**
Ithobaal III who at the height of his arrogance, worldly wisdom and wickedness was at the final 3 years of his life and rule at around 576BC	**Jesus, the whom exactly at 600 years, 60 months and 6 weeks of prophetic years after, was confirmed to be the Son of God at the height of his meekness, God-inspired wisdom, and all manner of miraculous and audible ministerial lovingkindness beginning with the Jews, including Gentiles.**
Ithobaal III thinking himself to be God, though being a sinful man, sitting comfortably in his set throne in the midst of the seas, seeing how he would be served and continue to conquer before he was executed in the midst of the same seas and was thrown into the ocean, wherein his body and soul descended into the bottomless pit at around 573BC	**Jesus, the whom exactly at 600 years, 60 months and 6 weeks in the prophetic calendar afterwards, though being God Almighty, emptied Himself and did not see being equal with God as a thing to be grasped, but humbled Himself and was formed in the likeness of Man and being found in the likeness of Man, became obedient unto the death of a most agonizing and painful crucifixion, wherein He blessed many and bore the wrath for the sins of the world as He shed His precious blood as a ransom for all peoples, taking away sin by the same blood which He shed, dying in the place of sinners and victoriously rising the third day as the true eternal Savior, who saves from hell and gives eternal life to all who repent and put their faith in Him.**

To those who would overlook all of the manifested connections, correlations, perfect counting and calculation of **Revelation 13:18** that directly point to Ithobaal III to be the antichrist, the question that ought to be asked from a theological perspective, would have to be the contrast figure of what the Jews asked concerning Christ as they were deeply convicted by all of His miracles, authoritative divine speech (being one wherein no man could match) as well as divine and majestic glory revealed in the flesh, as **John 7 verse 31** quotes, **"...When the Christ comes, will He do more signs than these which this *Man* has done?"**

The contrast figure could be said of Ithobaal III, when taking into account the perfect contrasted connections with the counting of the number of the beast, all being exactly at 600 years, 60 months and 6 weeks through the prophetic calendar from the ministry and crucifixion of Christ, as well as all of the shared connections concerning the king of trye during his first time living on earth, that perfectly align with the antichrist of Revelation, one could ask (if not fully convinced) "When the right interpretation of the number of the antichrist is given, will it have more connections and greater council of biblical argument than this one? **The which directly works in perfect contrast with the calculating of the 600, 60 and 6 from the dates of our Lord and Savior's birth, ministerial entry and crucifixion?"** The answer would be, to the glory of God alone (who is the revealer of all mysteries and biblical secrets) very unlikely.

Although Ithobaal III will be resurrected for a short season to be the final sinful world ruler and fulfil his self-deluded mentality of being "God", it will be the true Almighty in the flesh, the Lord Jesus Christ, the blessed and only Potentate, the King of Kings and the Lord of Lords, who will descend from heaven with His saints in the fulness of His unmatched majesty and glory of the fulness of deity, to both judge the antichrist world of the tribulation by destroying the antichrist, the false prophet, their worldwide army, as well as all the wicked and save His remaining born again people, as well as ethnic Israel, to then establish His holy millennial reign, before the day of Judgement and the inauguration of the unimaginable and perfectly holy new universe, manifested in the new heavens and the new earth.

If the world is very close to experiencing the tribulation of the last days, wherein all of the worldwide changing events, having started with the White Horseman, being identically identified with the United Nations, Intergovernmental world peace organization, **before the third Jewish temple is reconstructed prior to the beginning of the great tribulation (as Revelation 11 clearly promises will be rebuilt by the time the antichrist is revealed to the world)** if you don't yet know Jesus Christ, God in the flesh, who is the Second member of the Holy Trinity, being one with God the Father and the Holy Spirit, and aren't sure that your sins are forgiven, turn to Him now, repent and believe in Him as your Lord and Savior and find eternal life through Him, being saved, by

His finished sacrifice, the which He accomplished on the cross once and for all 2000 years ago, wherein He shed His precious blood, the which atoned for all sin, to save all who truly repent and believe in Him by faith only, not only from the wrath that is to come in this world, but the wrath that has come and will come on all the wicked in the lake of fire and brimstone for all eternity if their sins are not forgiven by the time they die. Trust in Jesus today while you still have the opportunity to do so, to have your sins forgiven, escape eternal fire and be given the free gift of everlasting life, being born again to look forward to the height and the depth and the width and the length of the unsearchable riches of God's love and goodness both now and in the new heavens and new earth to come, as **John 3 verse 16, Acts 16 verses 30 to 31 and Romans 10 verse 13 say:**

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."

"...And he brought them out and said, "Sirs, what must I do to be saved?" So they said, "Believe on the Lord Jesus Christ, and you will be saved..."

"For "whoever calls on the name of the Lord shall be saved."

Afterword | About the Author

Thank you for your time in reading this theological exposition, may God bless you as I encourage all readers to deeply meditate and prayerfully consider the applied reforming context of this exegetical written work. I am a Trinitarian protestant Baptist born again Christian, as well as a theologically studied and experienced church preacher, minister and evangelist. I graduated in the field of Journalism and have been committed to near-full-time Biblical and theological studies for ten years since my salvation.

The Lord knows it is true that apart from the sections wherein the usage of Ai (in rapid counting areas, being simple calculations of prophetic years) almost every other part of this document, including the main formula, was given by the grace and wisdom of God to the praise of His glory.

Thank you once again and may the Lord bless you.

ESCHATOLOGICAL CHRISTIAN REFORMING AWARENESS MOVEMENT

Before the reader begins to go through the contents of this theological expository document they are strongly advised to keep in mind (as the entirety of the written work generally teaches) in that all of the events described in this document are entirely prophetic in biblical nature and could all take place in several years, as well as decades (this is due to no one knowing the exact time frame for the tribulational judgements that will begin to take place on the earth) This exegetical and informative book mainly serves for the preparedness and personal informing of the reader and does not intend to cause any sort of unnecessary stress or panic, but to sincerely, realistically and in a sanctified manner, expound the sound biblical in-tribulation truths that a generation of Christians that has been chosen and raised up to go through, must (in due time) go through (and that for a short season) before the only second glorious coming of our Lord and Saviour Jesus Christ, the eternal Second member of the Holy Trinity. Blessed be the Father, the Son and the Holy Spirit, to God alone be the glory forever and ever. Amen.

Due to the seriousness of the information presented in this document, readers must be aware that this is not meant to be an expressive work of literature. Neither philosophical, nor any other type of expressive language will be used. All of the ECR21 UN –White Horseman Document's throughout writing theme style is solely formal and informative. Many theme statements such as, "The only second-coming of our Lord Jesus Christ" as well as, "beginning of sorrows" and "only two resurrections" will be constantly repeated throughout the document. (Including many instructions in the in-tribulation guide chapter)

The work in itself is mainly an eschatological exposition of that of a, "most-very-likely, strongly evidential and near undeniable viewpoint" concerning the revelatory understanding of the White Horseman Seal of Revelation, as well as a completely reforming understanding of the doctrine of the end times that clears out the gaps and confusions that modern day eschatological works and teachings present through the main received viewpoints of the Christian world's expected formation of the one-world government and the revelation of the "political antichrist" as the beginning of the tribulation and not rather (as it is the true Biblical exposition of the antichrist's post-seals/post-trumpets, post-Revelation 6-11 surviving population's one world government (the ten horns of fierce war [and not of peace] that precede and set up the antichrist) the which one world government is at enmity with Babylon (the United States of America) and the mystery of the southern nation that will oppose his 3 years and 6 month rule before the only second coming of our Lord and Saviour Jesus Christ with His saints and Holy angels in the Day of The Lord, in the Day of the only resurrection of life, out of the only two resurrections.

For Biblically appropriate and reverent reasons, what is to be noted is that (although unlikely) if another peacefully conquering world-force that supersedes the UN's current White-Horseman's mirrored prophesied achievements (as very unlikely as it is) could hypothetically be established. The which means that this is still a theoretical and a "most-very-likely-and-near-evident" Biblical exposition of an exegetical theological analysis in the focus of the evident and undeniable times we are living in. This document intends for the reader to give throughout thought as a most-likely-case-scenario that the studied author trusts and is fully persuaded that Christians everywhere will recognize its theological and sanctified logical validity and renew their mind in their understanding of the soon coming tribulation, as they prepare accordingly. The Trinitarian protestant author, as a brother and fellow servant in the Lord, fully exhorts the reader to prayerfully comprehend (through the Bible) as to why it is undeniably evident that the United Nations Intergovernmental World Peace Organization has been the opened White Horseman Seal of Revelation these past 80 years and how every other sign of the end times that precedes the third Judaistic temple rebuilding has been completely fulfilled these past two centuries alone, but so much more so these past 80 years and how in doing so, every Christian and their families ought to be fully informed and aware of the perspective of the eschatological viewpoint (and not rather find themselves to be confused and uncertain of what may be happening if the peace that has been given to the earth [in the context of preventing world-major conflicts, as has been the U.N.'s role these past 80 years] is taken away [in an unrepeatable Red Horseman world-war, Seal-opening] that will involve every nation in every continent (after or during the process of the rebuilding of the third Judaistic Temple).

With the pre-tribulation events having been fulfilled before our very eyes, the common phrase that most Christians unanimously find themselves quoting to each other is, "We are living in the last days". Yet, what deludes most Christians into believing that the very end and main tribulation is yet far away is the saddening deception of a “pre-tribulational rapture” false hope that originated in the 1830's, as well as a vain awaiting of a geo-politically impossible, "one world order" to arise and thus reveal the, "political ascending antichrist" as the White Horseman. Thus giving Christians everywhere a false sense of security in what will become (if unrepentant) an entirely unforeseen and unprepared living nightmare the moment the Red Horseman is unsealed, revealing the near-undeniable and evident truth in that the White Horseman Seal of the book of Revelation and the peace period that it brought to the world (in preventing global conflict) had been opened before us all along.

Strongly suggested theological points for the universal born-again Church of The Lord Jesus Christ's general consideration and how to this theological work exhorts all Christians in becoming prepared, watchful and on the alert for the most-probable soon opening second Red Horseman seal of a global-scale conflict (As well as the future in-tribulation evacuation process of American Christian saints and their families from Great Babylon, The United States of America before its prophesied destruction, as of Revelation 17 and 18)

Understanding the view of the White Horse Seal, constituting of:

- **The intergovernmental world peace organization known as the United Nations. (Horseman)**
- **Their United States Sovereignty (and remaining four world superpowers: Russia, China, France and the UK at main command in the Security Council) as their main political influential authority. (Crown)**
- **Their minimalist peace-keeper force in post-combat intervention and combat monitoring (apart from real armies) being their blue helmet peace-keeper armies, as well as their intertwined alliance with the west's North Atlantic Treaty Organization (NATO) As well as their diplomatic means of international peace enforcement and international war prevention, while not being able to enforce such. (Arrowless- Bow)**
- **These have (through the UN's multi-nation cooperation agenda and multiple antichrist geo-political and antichrist-interorganizational cooperation efforts and influence) given an aimed conquest of peace attempts to 195 of the world's nations in their worldwide peace-promoting, war-preventing and antichrist (earth preserving) system efforts, having successfully gained geo-political influence, as well as given the world a significantly successful 80-year-long, anti-mass-scale-conflict and ensure enduring international peace in most of its nations. (Conquering and to Conquer)**
- **They have achieved this world-peace conquest for 80 years by their God-given rich earthly resources. (White Horse)**

And how it all perfectly intertwines and coincides with the already fulfilled signs of, "The Beginning of Sorrows" of the end-times that have (for these past two centuries) **preceded the main tribulation of Revelation before the Only Second Coming of Our Lord and Saviour Jesus Christ in the fulness of His glory with His saints, as well as**

the Holy angels.

If the reader considers and is fully persuaded of the end-times view from this document, it is fully advised and recommended for one to first and utmost of all, put their trust in the Lord, remain calm and use the information of this book as a teaching guide for a throughout personal biblical analysis and become prepared the moment the third Jewish temple begins rebuilding, or if a third world war is about to, or does break out.

Introduction

The 7 Year Tribulation Timeline Debunked

And why the Tribulation will be undeniably longer

Many throughout interpretations regarding the main tribulation and end of the world have come across the Christian spectrum these past 2000 years. The most popular and accurately to be referred to as, "inconsistently theoretical" view is that of the 7 years tribulation theory and how it teaches that the White Horseman is the antichrist who will rule peaceably with 3 and a half years of peace and 3 and a half years of warfare in what's known as, "Daniel's Week of Trouble" Yet what the Bible makes adamantly clear is that the tribulation and what is referred to as Daniel's week of trouble does not in itself have any sort of referencing to a set timeline seeing that it is spiritually referred to as the 70th week that came after our Lord and Savior's week, being the 69th week of Daniel chapter 9.

The 69th week being referred to as the Messiah's week wherein the Messiah (Jesus Christ, God Almighty in the flesh) was prophesied to have been crucified to shed His precious blood for the sins of the world, die and rise again on the third day so that as many as repent and believe in Him will not experience the eternal punishment of hell, but have eternal life instead. The which following week (being the 70th week) after His ascension, re-glorification and coronation in heaven as the King of Kings and Lord of Lords makes no mention of any specific timeline regarding its overall length. The week is known as Daniel's week of trouble because of the prophesied evils that will come on Israel, as well as the re-establishment of the sacrifices, as well as the setting up of the abomination of desolation in Israel's temple before the end of said desolation (all of these being events that are to come upon the world) Because the timeline isn't specific, many depict it as a symbolical 7 year tribulation due to a week having 7 days and thus each day symbolizing 7 years. That would be a reasonable interpretation were it not for the contextual enlightening truths of the Book of Revelation that gives a much longer timeline for the event (yet without a specific definite start-to-finish) timeline seeing that the time period for the post-seals, post-trumpets Two Witnesses 1260 worldwide judging prophetic days on Jerusalem, as well as the antichrist's 3 and a half year reign is a total of 6 years, 11 months and 11 days alone (3 years, 5 months, 11 days for the Two Witnesses, as well as 3 years and 6 months for the antichrist's worldwide reign, being referred to as 42 months) not counting the first 6 seals of world judgement (out of the 7, the 5th seal being a heaven-wide honor given to the martyrs of Christ of all the ages) the which seals could last multiple years (many

estimate that until the final three seals are opened [5th Martyrs] [6th worldwide earthquake, sun darkening, moon turning to blood, mountains and islands being removed from their places] [7th the 7 trumpets] that the first 4 seals, being the 4 Horsemen, could last one year each, yet that is also the theoretical best case scenario).

The 7 trumpet judgements (apart from the 5th that gives a specific timeline of 5 months' worth of torture against unbelievers everywhere) could in themselves last many months, if not more than a year, such a theoretical timeline being the best-case scenario also. In fact, anyone could give a timeline in regard to Daniel's week of Trouble, one could say that Daniel's 70th week could have lasted for 2000 years seeing that it is the consecutive week after our Lord's first coming 2000 years ago. What is very evident as per the book of Revelation's very clear context is that to put a 7 year timeline for the tribulation with the signifying that the week symbolizes 7 years contradicts everything that the final book of the Bible teaches, we could estimate that apart from the 7 years, 1 month and 11 days of the Two Witnesses and the antichrist's timeframe before the end of the tribulation, as well as the hopeful 5 years for the four horsemen and the trumpet judgements, that we have a theoretical 12 years, 1 month and 11 days (if not longer [depending on how long the world war, the world famine and the world mass-scale killing takes place] for the final tribulation) before our Lord and Savior's one and only return with His saints and Holy angels. What is clear about the 70th week of Daniel's Trouble is that there is no definite Biblical timeline and the 7 year wishful theory is completely contradictory to the Book of Revelation that gives a definite 6 years 11 months and 11 days for the Two Witnesses and antichrist time period alone (after the seals and trumpets timeline) in what altogether could be a probable tribulation time period of 11 years, 11 months and 11 days (if not slightly less or more). The answer for a definite timeline will in itself never be given, yet we can as theologians estimate this most hopeful case scenario.

The 7 year tribulation wishful thinking has been the result of theologians making the grave mistake of mixing the 69 weeks of Daniel 9 (being 7 literal years each) from the decree of Artaxerxes in 445BC in fulfilling 483 years all the way to our Lord and Saviour's first coming, life, crucifixion and resurrection and attributing the 70th week (after the prophetic gap of the church age) with 7 years also, in complete disregard to the given context of Revelation that clearly gives a much longer timeline for the event, the 70th week of Jacob's week of trouble from the beginning of the antichrist's reign to its end being a total of only 42 months, with the Jewish and god of fortresses sacrifices ceasing 21 months in (half way to the week).

The White Horseman-First Seal vs The Real Antichrist of Revelation

"Neither the one world government, nor the antichrist are the White Horseman seal."

Chapter 1 Glossary

Chapter 1A: The Theological impossibility of the White Horseman being the Antichrist of Revelation, or his one-world, "peace" government.

Chapter 1B: The Geo-political impossibility of the White Horseman being the Antichrist of Revelation, or his one-world, "peace" government.

Chapter 1A

The Theological impossibility of the White Horseman being the Antichrist of Revelation, or his one-world, "peace" government.

"And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer." (Revelation 6:1-2)

To fully make sense of the theological contents of this document, the reader must first be aware (if they aren't already) of the Most widely accepted eschatological theoretical viewpoints concerning the interpretation of the White Horseman, First Seal in most of Christianity, being that of the, **"Politically ascending, one-world order totalitarian Antichrist"** due to the misapplications of the already-fulfilled antichrist prophecies of **Daniel 11:21-35** in Antiochus Epiphanes **and why, by wrongly attributing such prophecies (besides the repetition of the abomination of desolation and the taking away of the Judaistic sacrifices) such verses do not align with the Antichrist of Revelation and the entirety of the book of Revelation in itself, causing all of the confusion there is within the Christian world as they still await**

and expect a supposed one world-government to be first formed (while all of the beginning of sorrows signs continue to be perfectly fulfilled before us)

Understanding the White Horseman

The first seal that the Lamb of God opens is the White Horseman seal, **Revelation 6:1-2** quotes,

"And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder..."

The first opened seal had the heavenly beast's thunderous voice to introduce us to the revelation of the contents of the first seal (as though a dreadful, alarming, enlightening and awakening sound was to precede all of the judgements of the tribulation of the end of the world) such a voice being also one that would be used as the foundation and introduction of all of the judgements of the Tribulation, all the seals, trumpets, angelic bowl judgements decimation of Babylon and the reaping of the Lamb's harvest, being the reaping of the wicked in the Day of The Lord to come upon the world.

"...one of the four beasts saying, Come and see. And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given to him: and he went forth conquering, and to conquer..."

A white horse appears with a rider and the rider of it had a bow (without any mention of arrows) he was given a crown, and he went on to a guaranteed and given conquest.

Some have wrongly viewed this as the Lord Jesus Christ conquering the world through the gospel by peaceful means, although that has technically happened in practice (and the thought, Christ honouring) this is a wrong view in itself, not only because **the seal opening judgements of the tribulation begin at the end of the world, but because they are also judgmental in nature**, the six seals of revelation (not counting the 5th as it does not apply to the world) are there **to judge the world, not bless it,** as has **the Gospel of Christ and the Holy Spirit's spiritual reigning conquest of the hearts of many by the new birth through their repentant faith in Christ throughout these past 2,000 years.**

Another reason as to why the White-Horse seal is not the Lord Jesus Christ is because He appears at the end of the tribulation period (post-seals, post-trumpets, post-bowls) riding a celestial white horse, not crowned with one crown, but with many **(Rev 19:12)** and although glorified with His eternal glory that He only took away once-and-for-all in His first coming **(Jhn 17:5)** being God Almighty in the Flesh **(Rom 9:5)** He does not come

in peace, but to righteously annihilate the remaining antichrist world and its final army. **(Rev 19:11)** Not wearing any peaceful shades such as white, but red **(Rev 19:13)** most likely clothed in the blood of his enemies of all the ages **(Isah 63:2-3)**

The white horse rider has usually been given the view associated of that of **the antichrist himself and his false deceptive kingdom of peace that will conquer the entire world by giving it a false sense of peace and prosperity** as the prophecies of **the Book of Daniel chp's 7,8, 9 and 11** give much detail of such an antichrist that will, **through political influence, lurk into the highest places of the, "Kingdom of the North" and gain his power through flattery, become the world's friend, re-establish Israel's Judaistic sacrificial system and through promising deceptive peace and by peace treaties, gaining power over the nations of the world and once he's achieved world peace as a totalitarian leader, then and only through that process will he be able to be properly identified (meaning that the United States, Russia, China, UK and France are completely okay with that)** This is the main view that has been widely accepted and received by the born-again Church of the Lord Jesus Christ throughout centuries until this day (it is the same view I used to receive and accept of that of my own) and most Christians mostly receive it also because it is the most logical view due to the misinformed understanding of the expectancy of **Daniel 11:21-35** alongside **verses 36-45** to be of that of the future antichrist, not knowing that **verses 21-35** have already been fulfilled in extrinsic detail in the historical person of Antiochus Epiphanes and that besides the repetition of the Abomination of Desolation and the taking away of the Judaistic sacrifices within verses **21-35**, **Daniel 11:36-45** is yet to be fulfilled by the real end-times antichrist of **Daniel 7:7-11; Daniel 8:23-25** and **Daniel 9:26-27**

It isn't uncommon for Christians to initially conclude that **Daniel 11:21-35** is to be attributed to the, **"Man of Sin"** in the Bible, due to such verses depicting **a very real prophesied anti-Christ that came about 500 years after Daniel's day**, also widely accepted by the Christian world in the, **"Historicist View"** to be of that of **Antiochus Epiphanes**

Daniel 11:21-35 says,

"[21] And in his place shall arise a vile person, to whom they will not give the honor of royalty; but he shall come in peaceably, and seize the kingdom by intrigue. [22] With the force of a flood they shall be swept away from before him and be broken, and also the prince of the covenant. [23] And after the league *is made* with him he shall act deceitfully, for he shall come up and become strong with a small *number of* people. [24] He shall enter peaceably, even into the richest places of the province;

and he shall do *what* his fathers have not done, nor his forefathers: he shall disperse among them the plunder, spoil, and riches; and he shall devise his plans against the strongholds, but *only* for a time. [25] "He shall stir up his power and his courage against the king of the South with a great army. And the king of the South shall be stirred up to battle with a very great and mighty army; but he shall not stand, for they shall devise plans against him. [26] Yes, those who eat of the portion of his delicacies shall destroy him; his army shall be swept away, and many shall fall down slain. [27] Both these kings' hearts *shall be* bent on evil, and they shall speak lies at the same table; but it shall not prosper, for the end *will* still *be* at the appointed time. [28] While returning to his land with great riches, his heart shall be *moved* against the holy covenant; so he shall do *damage* and return to his own land. [29] "At the appointed time he shall return and go toward the south; but it shall not be like the former or the latter. [30] For ships from Cyprus shall come against him; therefore he shall be grieved, and return in rage against the holy covenant, and do *damage*. "So he shall return and show regard for those who forsake the holy covenant. [31] And forces shall be mustered by him, and they shall defile the sanctuary fortress; then they shall take away the daily *sacrifices,* and place *there* the abomination of desolation. [32] Those who do wickedly against the covenant he shall corrupt with flattery; but the people who know their God shall be strong, and carry out *great exploits*. [33] And those of the people who understand shall instruct many; yet *for many* days they shall fall by sword and flame, by captivity and plundering. [34] Now when they fall, they shall be aided with a little help; but many shall join with them by intrigue. [35] And *some* of those of understanding shall fall, to refine them, purify *them,* and make *them* white, *until* the time of the end; because *it is* still for the appointed time."

Most Christians that have been taught that these passages apply to the future end-times antichrist would have to rightfully conclude the antichrist will arise by deceptive means of false peace in a world-wide, geo-political case scenario and that the world will eventually worship him as though he was God and that they would have to accept such a view in complete contrast to all logic within Revelation's world-chaotic seals and trumpet judgements of **chapters 6-11** as well as chapter **11's** very clear supernatural revelation of the antichrist, **only after the Two Witnesses' unhindered and unstoppable 3 years, 5 months and 11 days of world-torturing world-wide prophetic ministry.**

Whenever Christians interpret the end times by applying Epiphanes' verses to the end time's antichrist (in disregarding the context of Revelation's depiction of the Antichrist) they not only get a very real and strong sense of illogical confusion whenever they read

both books, the world also begins to debate with fingers always being pointed in guesses as to who the antichrist may be, none of them ever being the right one.

Christians that are still waiting for this supposed one-world peaceful government to form with this totalitarian peaceful leader as the White Horse Rider, First Seal, when they compare the antichrist of **Daniel 11:21-35** with the White Horse Rider, First Seal, they would have to conclude that it is entirely illogical due to the white horse seal being completely idle and powerless amidst all the world judgements and that after such a prolonged world-wide torture **(in the first 6 seals and first 6 trumpets)** after his kingdom is established that they are going to supposedly worship his useless being as, "God" even though he completely failed to protect them from all the world's continuous extensive torture and death, including the three years of the two witnesses' prophetic ministerial days of world torture.

It makes absolutely no sense, unless one makes **the mistake of mystifying the book of Revelation (which is what all false religion does) and not simplify it for God's people to understand, as it is always His will in every aspect of His word (Revelation not being any different) and give Christians the popular tolerative and erring idea that it is okay for Christians everywhere to have a, "freedom of differentiating interpretations" of the end times because of how seemingly, "difficult" it appears to be**, instead of aiming for one unified, Noble-Berean, sole understanding that disproves every other erring view through proper exegetical theology and sanctified common sense.

Christians that still believe the White Horse First Seal is the Antichrist and his one-world government (as I used to) and **are still waiting for this one-world peace totalitarian geopolitical system to be formed or generate itself** (specially after all the signs of, "The Beginning of Sorrows" having already been fulfilled these past two centuries alone) **need to strongly consider that the Book of Revelation only introduces the Antichrist in a supernatural sense, not as a world-peace-giving politician, but as a demonically-supernatural, "god-like" world-hero that will be revealed at the end of the Two Witnesses prophetic days to save the world from their three and a half years torture and that only through such a manifestation of supernatural power as never seen before and in doing so,** will the world then believe the antichrist's god-like capabilities and be deceived into worshipping the man and taking his mark, the which will be enforced by the antichrist's false prophet.

Revelation is very clear in that the antichrist shows up only after:

A world wide conquering force that symbolizes peace and achieves continual conquering (through a period of time) by the threat of unused deadly force with a crown of royalty.

A subsequent world-scale conflict wherein the peace achieved is taken from the earth and the earth's inhabitants through the means of great and powerful warfare kill one another.

A subsequent world-wide famine (most likely to be explained as the result of what could be world-wide nuclear radiation that damages crops post a very possible nuclear war)

A subsequent amount of plagues and death by vast murder and animals devouring people (some of these plagues being what will most likely be explained to be by the world's scientists as the result of world-wide nuclear "radiation" developing all of these diseases as a result of nuclear residue, pre-nuclear winter in the atmosphere, though its entirely theoretical).

A world-felt earthquake, as well as the, "darkening of the sun" by what could most-likely be termed also as "Nuclear Winter" the which is the also-subsequent stratospheric result of a nuclear-world-wide-conflict (even of minimum scale).

The world seeing the stars falling from the sky.

The mountains and islands fleeing away and the moon becoming blood.

World-wide voices, thundering/lightnings, a second earthquake.

The earth's wind force ceasing.

The Golden Sencer from God's throne (being the prayers of the saints of all the ages) falling to the ocean.

Heil mingled with fire and blood that burns up all grass and a third of the trees.

A mountain-like meteorite that falls on the ocean, destroying a third part of marine life and the ships on it (a third part of the ocean becoming blood).

The falling of a star that falls on a third part of the waters, becoming wormwood, killing many men on the earth due to dehydration over the waters' bitterness.

A third of the (cloud covered-like sun) smitten and a third part of the moon and a third part of the stars not shining for a third part of the day, as well as the night (the

cloud sovereignly becoming foggier during the third part of the day and the third part of the night as sovereign judgement).

A flying angel giving a world-wide announcement with three alarming repeating words.

A demon falling to the earth and opening the bottomless pit wherein worldwide locusts with horse bodies, golden looking crowns, man's faces with sharp lion-like-teeth and women's hair with scorpion tails that torment all non-born again Christians (as many as don't have the seal of God on their foreheads) for five months.

Four angels prepared from the river Euphrates with a two million heavenly-creature army (horses with the heads of lions, who's mouths issue fire and smoke and brimstone and their tails like unto serpents) causing a third part of men to die.

A mighty angel that descends from heaven standing on the ocean and the earth with a rainbow on his head who roars like a lion (causes seven thunders to utter forbidden things for the world to know) who swears by God so that time itself ends and through his days of the hearing of his voice, the mystery of God comes to an end.

By the time the angel's voice ministry ends, God's Two Witnesses shall descend from heaven (most likely being Enoch and Elijah, the only two men who have never died and have been in the presence of God for thousands of years, just like the two olive trees and two candlesticks of the prophet Zechariah that stand before the God of all the earth).

These prophesying on the earth for 1,260 days wearing sackcloth, who throughout their prophetic ministry have the Elijah-like powers to shut heaven so it doesn't rain, turn waters to blood and torment the inhabitants of the earth with all sorts of plagues and that no matter how many bullets or rockets or any kind of world-power available at the time is thrown at them, nobody can kill them, but rather, whoever attempts to destroy them, gets devoured by the fire that proceeds out of their mouth.

And then and only then,

At the very end of all of these world-affecting and impacting literal events, including the three-and-a-half-year literal and torturous prophetic reign of the two witnesses upon the earth, is the antichrist introduced.

The antichrist of Revelation is not introduced as a gradual-politically ascending world-peace-achieving leader, but as a supernatural figure that is used to temporarily bring the world's torture to a close by the killing of the Two Witnesses.

Revelation reveals the antichrist as one that rises out of hell itself (usually referred to as the bottomless pit)

And from the ocean on top of it in chapter 13 (whether literally or if there's a spiritual connection with the ocean itself) and wars against the two witnesses and only then, do they get overcome and killed, their bodies not being put in graves.

Their bodies being left there for three days (before they rise again and are taken to heaven) with immediate media awareness that causes world-wide joy and the sending of parcel gifts between people all over the world as a means of celebration due to their torture finally having come to an end and that **thanks to their supernatural, freshly introduced, "savior"** who having received a deadly wound, dying and rising again (in copying Christ's resurrection) they will both bow down to and worship and receive him as their, "God" and supreme authoritarian world-leader.

Another theological conclusion to disregard the politically-ascending antichrist view

The main question that everyone that still receives the, "politically ascending" antichrist, seven year reign (three and a half years of peace and three and a half years of tribulation) ascending figure as seen in **Daniel 11:21-35** as they connect both sections of the chapter, **(with verses 36-45)** attributed to him (as I used to) whenever they read the Book of Revelation from chapters **6-11** they ought to ask themselves when it comes to these world-wide events is,

If the world will receive and worship him as their, "God" what was he doing that entire time?

Where was he? Why, if the entire world was plagued by the whole list of tribulational events that caused mass torture and death, including the final **1,260 days** of the Two Witnesses' world-wide prophetic and torturous plaguing, **if he was a despised man**

that was already in the political spectrum that, "conquered the world through peace" and one that most of the surviving masses will attribute to be, "God" so much so that they will worship him and receive his mark, where was he and what was he doing during every single day the inhabitants of the earth suffered, were tormented and died and if it is so that they suffered such things and were aware of his presence and if he did absolutely nothing in the meantime (especially during the two-witnesses three-and-a-half-years of prophetic, world-torturing ministry) why would they in any common-sense case scenario either thank, much less, "worship" him, but rather be logically infuriated, in that because from the beginning of the Red-Horseman Judgement, all the way to the Two Witnesses, the guy that was reigning all along as their peaceful world leader did nothing to help the world that will receive him to be their, "god."

The surviving inhabitants of the Revelation 11-post-seals-and-trumpets' world went through intense plagues, hunger and prolonged torture and he did nothing to turn supernatural during any of those 1260 days (3 years, 5 months, 11 days) and stop the world judgement events and the two witnesses themselves from the very beginning as he was present?

From an antichrist-world's point of view, they would not only **esteem him to be a selfish coward, but also detest and think he's horrible. That's not someone to admire, much less one that they would believe is anything short of a, "god" and be willingly bow down to.**

Why didn't he do anything if his presence was on earth as of the, "White Horseman, First Seal"?

He didn't do anything because he wasn't present.

Revelation's antichrist is not the same as **Daniel's 11:21-35**, though he is the same as **Daniel's 11:36-45 as verses 21-35 are mainly seen as having been fulfilled within the entirety of the Historicist view** because all of **Daniel 11:1-35 has been fulfilled,** verses **21-35** specifically with the historical figure also known as **Antiochus Epiphanes who did not fulfill verses 36-45 that the antichrist of revelation will.**

All of the prophetic verses that Daniel wrote of the antichrist in **Daniel 11:1-35** have **already been fulfilled** and that **before the first coming of our Lord and Saviour Jesus Christ** in what's known as the widely accepted, **"Historicist view" (as most Christians and Christian historians would agree, with worldly secular historians doubting the legitimacy on whether the verses were written rather after due to their extrinsic and perfectly accurate prophetic fulfillment hundreds of years after they were factually**

written down by the inspiration of God through Daniel) wherein the families and royal descents starting with **the fourth king of Persia, being king Xerxes I of Persia**, who stirred up the Grecian empire by his rule, in the which after its decline, **Alexander the Great arose with the Grecian empire** and its kingdom's **remaining four divisions after his death**, verses **5-20** the kings of the north and south being conflicts between **the Ptolemaic Dynasty in Egypt (south) and the Seleucid Dynasty in Syria (North)** including the daughter of the king of the south **Berenice, daughter of Ptolemy II** who was married to **Antiochus II** of the Seleucid empire.

All of these verses leading all the way to the main antichrist of Daniel introduced, being **Antiochus Epiphanes (or Antiochus IV) who fulfilled verses 21-35 being a Seleucid king who persecuted the people of God and tempted them into apostacy from Judaism, stopped the daily sacrifices and desecrated the temple before facing resistance by the Maccabean Revolt that successfully weakened him, cleansed the temple and re-instituted the sacrifices to the point that he was forced to retreat from Jerusalem and through Roman assistance, see himself be forced to remain in his place of province, dying shortly after.**

A complete overview of the entirety of the widely accepted Historicist View that leads to Epiphanes as an antichrist figure can be found at Enduring Word Bible commentary: https://enduringword.com/bible-commentary/daniel-11/

Many Christians agree in that verses 36-45 are still to be fulfilled in the end-times antichrist, the only repeating (or similar events) led by the antichrist spirit from **Daniel 11:1-20** that scripture indicates, such as **Daniel 9:26-27** much more, **by the words of our Lord and Saviour Jesus Christ**, are that of:

- The ceasing of the animal sacrificial system, **(an offering system that will most likely be set up during the 21 months of the antichrist's literal 42-month-only reign)**

- As well as the setting up of what's known as the, **"Abomination of Desolation" the which is likely to be the, "Image to the Beast" that is given power to both speak and give killing commands**, repeating a similar pattern that Antiochus Epiphanes did in **setting up a Zeus statue in Jerusalem's temple** when he desecrated it in the events of verses **21-35.**

Once most Christians everywhere take into account that the Daniel 11:21-35 verses of the first antichrist have already been fulfilled, they will have a proper view of the real antichrist of Revelation, ending the vast confusion given by the, "Political ascending antichrist" view.

It is only that once Christians begin to compare the events of **Revelation chapters 6 to 11** and more specifically with **chapter 11's supernatural revelation of the end-times antichrist on verse 7**, as well as more of his revelatory description in **Chapter 13:1-9 (being one that ascends from hell itself, through the ocean and lands at Jerusalem by a once-and-never-to-be-repeated, demonic power given to him specifically)** as well as the remaining future prophecies of the antichrist and his fourth-beast kingdom of **Daniel chpts 7,8,9 and 11, as well as those found in the New Testament Epistles, they will realize that they all coincide, connect and give a non-contradicting understanding of the antichrist of Revelation and that of the man being:**

- **One that is a resurrected** (and most-likely already damned, if not being reserved in chains of darkness) supernaturally (demonically) empowered man.

- **Is only revealed worldwide at the time when he fights the Two Witnesses** and kills them **at the end of their three-year prophetic ministry** (while he himself suffers a mortal wound in doing so) also rising again.

- **Will have the entire world wonder at him in admiration and worship** (a world that had just **been tortured daily for at least three and a half years**, not to mention the preceding world-wide judgements of the six seals and the six trumpet sound judgements)

- **Who will only at that point establish his political world-wide dominance (minus Babylon and the mystery of the Southern Kingdom)** and have the re-structured, post-seals-post-trumpet-judgements world worship both Satan and him, as well as have the false prophet revealed who will deceive them (through what's likely to be a new world-religion with Judaistic tendencies and connections) into taking mark of the beast on their right hand or their foreheads as their only means of trade and commerce.

Below are **Daniel 11:36-45** verses, as well as all other verses of the person of the antichrist, in both **the Book of Daniel** as well as **The New Testament epistles and Book of Revelation:**

"Then the king shall do according to his own will: he shall exalt and magnify himself above every god, shall speak blasphemies against the God of gods, and shall prosper till the wrath has been accomplished; for what has been determined shall be done. [37] He shall regard neither the God of his fathers nor the desire of women, nor regard any god; for he shall exalt himself above *them* all. [38] But in their place he shall honor a god of fortresses; and a god which his fathers did not know he shall honor with gold and silver, with precious stones and pleasant things. [39] Thus he

shall act against the strongest fortresses with a foreign god, which he shall acknowledge, *and* advance *its* glory; and he shall cause them to rule over many, and divide the land for gain. [40] "At the time of the end the king of the South shall attack him; and the king of the North shall come against him like a whirlwind, with chariots, horsemen, and with many ships; and he shall enter the countries, overwhelm *them,* and pass through. [41] He shall also enter the Glorious Land, and many *countries* shall be overthrown; but these shall escape from his hand: Edom, Moab, and the prominent people of Ammon. [42] He shall stretch out his hand against the countries, and the land of Egypt shall not escape. [43] He shall have power over the treasures of gold and silver, and over all the precious things of Egypt; also the Libyans and Ethiopians *shall follow* at his heels. [44] But news from the east and the north shall trouble him; therefore he shall go out with great fury to destroy and annihilate many. [45] And he shall plant the tents of his palace between the seas and the glorious holy mountain; yet he shall come to his end, and no one will help him."
(Daniel 11:36-45)

"...And the people of the prince who is to come
Shall destroy the city and the sanctuary.
The end of it *shall be* with a flood,
And till the end of the war desolations are determined.
[27] Then he shall confirm a covenant with many for one week;
But in the middle of the week
He shall bring an end to sacrifice and offering.
And on the wing of abominations shall be one who makes desolate,
Even until the consummation, which is determined,
Is poured out on the desolate."
(Daniel 9:26-27)

[23] "And in the latter time of their kingdom,
When the transgressors have reached their fullness,
A king shall arise,
Having fierce features,
Who understands sinister schemes.
[24] His power shall be mighty, but not by his own power;
He shall destroy fearfully,
And shall prosper and thrive;
He shall destroy the mighty, and *also* the holy people.
[25] "Through his cunning
He shall cause deceit to prosper under his rule;
And he shall exalt *himself* in his heart.

He shall destroy many in *their* prosperity.
He shall even rise against the Prince of princes;
But he shall be broken without *human* means."
(Daniel 8:23-25)

[19] "Then I wished to know the truth about the fourth
beast, which was different from all the others, exceedingly
dreadful, *with* its teeth of iron and its nails of bronze,
***which* devoured, broke in pieces, and trampled the**
residue with its feet; [20] and the ten horns that *were*
on its head, and the other *horn* which came up, before
which three fell, namely, that horn which had eyes and a
mouth which spoke pompous words,
whose appearance *was* greater than his fellows.
[21] "I was watching; and the same horn was making
war against the saints, and prevailing against them,
[22] until the Ancient of Days came, and a judgment
was made *in favor* of the saints of the Most High,
and the time came for the saints to
possess the kingdom.
[23] "Thus he said:
'The fourth beast shall be
A fourth kingdom on earth,
Which shall be different from all *other* kingdoms,
And shall devour the whole earth,
Trample it and break it in pieces.
[24] The ten horns *are* ten kings
***Who* shall arise from this kingdom.**
And another shall rise after them;
He shall be different from the first *ones,*
And shall subdue three kings.
[25] He shall speak *pompous* words against the Most High,
Shall persecute the saints of the Most High,
And shall intend to change times and law.
Then *the saints* shall be given into his hand
For a time and times and half a time.
[26] 'But the court shall be seated,
And they shall take away his dominion,
To consume and destroy *it* forever.
[27] Then the kingdom and dominion,

And the greatness of the kingdoms under the whole heaven,
Shall be given to the people, the saints of the Most High.
His kingdom *is* an everlasting kingdom,
And all dominions shall serve and obey Him.'
(Daniel 7:19-27)

Let no one deceive you by any means; for *that Day will not come* unless the falling away comes first, and the man of sin is revealed, the son of perdition, [4] who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God.
[5] Do you not remember that when I was still with you I told you these things? [6] And now you know what is restraining, that he may be revealed in his own time. [7] For the mystery of lawlessness is already at work; only He who now restrains *will do so* until He is taken out of the way. [8] And then the lawless one will be revealed, whom the Lord will consume with the breath of His mouth and destroy with the brightness of His coming. [9] The coming of the *lawless one* is according to the working of Satan, with all power, signs, and lying wonders, [10] and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. [11] And for this reason God will send them strong delusion, that they should believe the lie, [12] that they all may be condemned who did not believe the truth but had pleasure in unrighteousness. [13] But we are bound to give thanks to God always for you, brethren beloved by the Lord, because God from the beginning chose you for salvation through sanctification by the Spirit and belief in the truth, [14] to which He called you by our gospel, for the obtaining of the glory of our Lord Jesus Christ.
(2 Thessalonians 2:3-14)

"Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time."
(1 John 2:18)

"When they finish their testimony, the beast that ascends out of the bottomless pit will make war against them, overcome them, and kill them."
(Revelation 11:7)

"Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name. [2] Now the beast which I saw was like a leopard, his feet were like *the feet of* a bear, and his mouth like the mouth of a lion. The dragon gave him

his power, his throne, and great authority. [3] And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast. [4] So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, "Who *is* like the beast? Who is able to make war with him?" [5] And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. [6] Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. [7] It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation. [8] All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world. [9] If anyone has an ear, let him hear. [10] He who leads into captivity shall go into captivity; he who kills with the sword must be killed with the sword. Here is the patience and the faith of the saints. [11] Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. [12] And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed. [13] He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. [14] And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived. [15] He was granted *power* to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. [16] He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, [17] and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name. [18] Here is wisdom. Let him who has understanding calculate the number of the beast, for it is the number of a man: His number *is* 666." (Revelation 13:1-18)

And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth. And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshipped his image. (Revelation 16:1-2)

But the angel said to me, "Why did you marvel? I will tell you the mystery of the woman and of the beast that carries her, which has the seven heads and the ten horns. [8] The beast that you saw was, and is not, and will ascend out of the bottomless pit and go to perdition. And those who dwell on the earth will marvel,

whose names are not written in the Book of Life from the foundation of the world, when they see the beast that was, and is not, and yet is. [9] "Here *is* the mind which has wisdom: The seven heads are seven mountains on which the woman sits. [10] There are also seven kings. Five have fallen, one is, *and* the other has not yet come. And when he comes, he must continue a short time. [11] The beast that was, and is not, is himself also the eighth, and is of the seven, and is going to perdition. [12] "The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. [13] These are of one mind, and they will give their power and authority to the beast. [14] These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those *who are* with Him *are* called, chosen, and faithful." [15] Then he said to me, "The waters which you saw, where the harlot sits, are peoples, multitudes, nations, and tongues. [16] And the ten horns which you saw on the beast, these will hate the harlot, make her desolate and naked, eat her flesh and burn her with fire. [17] For God has put it into their hearts to fulfill His purpose, to be of one mind, and to give their kingdom to the beast, until the words of God are fulfilled. [18] And the woman whom you saw is that great city which reigns over the kings of the earth." (Revelation 17:7-18)

[19] And I saw the beast, the kings of the earth, and their armies, gathered together to make war against Him who sat on the horse and against His army. [20] Then the beast was captured, and with him the false prophet who worked signs in his presence, by which he deceived those who received the mark of the beast and those who worshiped his image. These two were cast alive into the lake of fire burning with brimstone. [21] And the rest were killed with the sword which proceeded from the mouth of Him who sat on the horse. And all the birds were filled with their flesh. (Revelation 19:19-21)

The main aspects of the end-times antichrist from these passages are that of a man who:

- **Will only be revealed after the seven seals and six trumpet judgements, only by the end of the Two Witnesses** (most likely Enoch and Elijah) 1,260 days of world-wide torturous prophecy.

- **Ascends out of hell** (implying he first descended as none other than a damned man, who either will die or may most likely already be there)

- **Is not a fallen angel because angels are eternal spirits and are not subjected to physical death as the antichrist will be.**

- **Will literally ascend out of/or has a spiritual connection to the ocean.**

- **Will immediately supernaturally fight The Two Witnesses**, be mortally wounded by them, yet kill them in the process.

- **Will be resurrected (after they mortally wound him) before or after they are resurrected**, before they ascend to heaven by a cloud.

- **Will most likely have influential power over 7 continents (7 heads)**

- **Having 10 horns with ten crowns, signifying the 10 blasphemous world rulers in the re-ordained world order after the seals and trumpet judgements (being the fourth beast of Daniel 7) that will already be established by the time he appears (causing three of them to fall and be replaced) "little horn" 42-month reign.**

- **Will not regard the god of his ancestors, neither any other god, but shall make a new world-religion of a, "new" god of fortresses.**

- **Will deceive the surviving world to worship both him, the image to the beast and Satan through false miracles, lying signs and wonders with all deception of unrighteousness.**

- **Will be a celibate** (will not regard the desire of women)

- **As Paul and Daniel indicate, he will exalt himself above every other god and that which is God and that is worshipped, claiming to be, "God."**

- **Will either destroy the third Jewish temple partially or replace it with his own one-world-religion temple the moment he stops the sacrifices (half way through his 42 month "one week" reign, at the 21 month mark, being 1 year and 9 months)**

- **Will speak world-programmed blasphemies against Christianity** and the only true God, weighing down the spirits of the saints of the Most-High.

- **Will understand the world's sinister schemes.**

- **Will change world-times and world-laws.**

- **Will criminalize Christianity under the death penalty and persecute Christians everywhere, overcome them and cause them to be beheaded.**

- **Will, with the ten kings, destroy Babylon with utter burning of fire in under one hour.** (Most definitely being the United States of America [more on that bellow] that will oppose his rule)

- **Will stand against the Prince of princes, that being the Lord Jesus Christ and be utterly annihilated and thrown into the lake of fire with the false prophet.**

With Epiphanes' fulfilled verses in **Daniel 11**, as well as Revelation's contrast of a demonically empowered and supernaturally revealed antichrist, one would have to therefore conclude that the contextual antichrist of Revelation **is not the political ascending view** that has been the most popular amongst Christian circles to this day.

One would have to therefore conclude that the White Horse of Revelation is NOT the antichrist, but rather an authoritative and successfully conquering entity representing peacekeeping that holds capable, yet unused (or near useless) deadly force that will precede the antichrist, as well as another 5 seal and 6 trumpet judgements by the time the second woe passes with **the Two Witnesses and their three-year-ministry that will also precede the man of sin.**

It is also very evident (by the vast majority of the Christian world today) in that the already fulfilled end-time signs of the observable, **"Beginning of Sorrows"** that will precede the main tribulation have been fulfilled and observed.

Chapter 1B

The Geo-political impossibility of the White Horseman being the Antichrist of Revelation, or his one-world, "peace" government

We have discussed as to why **it is impossible for the antichrist or an antichrist kingdom on earth to be established as the first White Horseman Seal of Revelation 6 from the Bible's theological contextual point of view** and yet briefly as to why it is geo-politically impossible for such to ever be the case, yet here we see the basics of geo-politics and why such a case scenario will never be allowed to happen by the current **195 states/countries** of the world and why they would, mainly the five major super powers (US. UK. France. China and Russia) have to no longer exist, if not lose their power (the which the Bible makes clear it will never be so by the sole fact that great Babylon alone, the United States remains with its power above all the nations of the earth until it is completely annihilated by the end of the tribulation during the antichrist's 3.5 year reign)

That and all of the other major super powers would always be warring against each other as to which of their countries' governments would be in absolute control of everything, Russia would not want to share the same power control as that of China, much less be ruled by them and vice versa. A one world system being formed without major scale conflict or cataclysmic events would cause an innumerable amount of problems that only the United-States-World-Police-Man-Force disappearing, as well as world wars and utterly geo-political, de-stabilizing events can create that are so potent, so strong that these superpowers would have no choice but have to make the world wide change to re-structure their societies to be brought together as such an unified government in order to survive (the which without cooperating and uniting with each other, they will most likely die out, otherwise they would not make the change and keep their own sovereignties, like every government would want as the most convenient option for their domestic interests) being exactly what the 6 seals and the 7 trumpet judgements will do to bring about the utterly impossible geopolitical change to introduce the fourth beast of Daniel 7 and establish the 10 world rulers that will then receive the antichrist at his appearing after the two witnesses 1260 prophetic days (causing three of these rulers to fall and be replaced) this forced one world government having no choice but having to form itself by means of circumstantial force (as it is sinful human nature to not want to yield nor be submissive to anyone, much less superpowers and other sovereignties all over the world) on all 7 continents.

Whenever Christian teaching would indicate that the antichrist is someone we ought to be alerted of and that could possibly already be in the world's spectrum, slowly rising in politics in taking the context of **Daniel 11:21-35** and attributing such verses to him, alongside verses **36-45** and continues to willingly ignore the revelatory context of the antichrist in **Revelation chapters 6-11 and chapter 13**, when being informed and overly studied in the basics of the first and particularly the second world war, as well as the

subsequent formation of the United Nations and its world-wide political influential power, the question always came to mind,

"How could a possible world-domineering kingdom of peace ever be able to annex ground without the United Nations (specially their world-police-force main head in the power five of the security council, the United States) alone recognizing its anti-UN policies at the very beginning and its non-democratic, pro-authoritarian (if not fascist) stance straight away? Wouldn't such an approach to power and control, even by peaceful means in an unified world government with a world-head figure not be outrageous to even suggest to tolerate from its very beginnings (even under the disguise of peace, the which "disguise of peace" has ZERO chance in having these governments falling for its deception by the lessons of modern history alone) in the UN's general council, much less their security council with the five major superpower countries on the table? The antichrist of Daniel is seen as a, **"peaceful" supreme, "fascist-like" version of Hitler (who will believe is God through satanic mindset) yet regardless of how peaceful, still a Hitler-like, world-domineering figure nonetheless that will not deceive these superpowers in rising to power.** How then can these internationally cooperative organizations that stood the test of time throughout these past eight decades **ever allow something so contrasting in itself to their policies and everything they've worked so hard these past 80 years to build and establish? Especially when it comes to their world peace, independence-encouraging and freedom-of-sovereignty, anti-world-dictator belief doctrines?**

The answer is the very obvious, they never will allow it and if they were to ever see the rise of it and perceive the ambition of increase they will do everything they can by their superpower strength, to shut it down. The most recent example was Iran's nuclear program having been entirely obliterated and destroyed by the U.S. even if they clearly stated their non-aggressive intentions, the U.S. did not believe it, much less allowed such a program to take a chance at developing its success.

These world superpowers must first collapse and the UN become obsolete, the which is very unlikely they'll ever do without a world-conflict more powerful and devastating than the second world-war to force them to do so, just like the League of Nations did before them for the, "politically lurking" antichrist of **Daniel 11:21-36** to be identified.

Not only would the U.S. and the UN oppose such a rule and ruler, most of the, "peacefully-to-be-annexed" countries would do the same.

This being due to the way that most of the world's 195 countries enjoy their independent and (for many of them) democratic-led freedom. **Due to this, it is incredibly unlikely, if**

not impossible (socialism having caused enough problems of its own) for all of them to also not oppose a peaceful, "conquest" much less, not oppose a totalitarian leader on its head (especially if such a leader is not native to their country of origin) when most of them already experience peace and calm (in regards to foreign conflicts) and that thanks to none other than the U.N./U.S./NATO world presence, that although not perfect, has given the world a great stabilizing impact of peace.

So, most Christians would have to conclude the same, that **due to its practical and realistic impossibility, only a cataclysmic world-wide event that will heavily disorganize the known world, including the U.S. U.K. France, China and Russia that would be capable of bringing in a circumstantially-forced new world order** (without these major superpowers current policies at play that would strongly oppose it) with stronger and fiercer annihilating combined power that would force unwilling countries to join it (as is the fourth beast of Daniel 7) as well as executing stronger peace policies within that one-world-governmental body - is what would take for the antichrist's one world-rule establishing to happen and the only way that these 10 rulers would allow a one man government to begin after them is only if such a person displays unequal intelligence, power and is like a, "god" himself (to be trusted to be able to lead the world out of its chaotic state and "save it" or promise it a surviving, post-nuclear winter, post-cataclysmic recovery reconstruction and new and seemingly, "eternal" future and that in a complete and final world-wide rejection of the true God, the Bible and Christianity, causing as many as profess to be Christian (that will not take his mark, or his name, or the number of his name and bow down to worship him, his image and the devil under the disguise of his false, "god of fortresses" idol) to be decapitated in a world-wide setting, apart from Babylon (U.S.) that he will use his ten rulers' power arsenal to destroy and that much very likely by the supernatural and demonically-empowered miraculous aid of the false prophet who will very likely and supernaturally shut down America's defense system and leave it helpless to suffer its inevitable and prophesied fiery destruction and that in one literal hour's time because of modern day technology.

Apart from this Biblical and logical structure as to how the current known world is geo-politically established, makes **the antichrist peace-founded, expansive, authoritarian one-world-government with a totalitarian leader an utter impossibility.**

And the reason as to why it is never going to happen is because the birth-pain, **"Beginning of Sorrows"** signs of the end times that precede the Tribulation of Revelation **have already been fulfilled extrinsically and overwhelmingly, which is why most Christians will always tell you.**

“We are living in the last days.”

Whether we like it or not, we really, truly and undeniably (as most of us agree, let’s be honest for our own sobering well-being and needful proper preparation) are indeed living in the last days, with minutes, if not seconds to the midnight of the great Tribulation events before the only second and glorious return of our Lord and Saviour Jesus Christ’s appearing to destroy the antichrist, his army and the remaining wicked world-wide, glorify His saints in the resurrection of life and establish His millennial kingdom.

The Antichrist Revealed

THE NUMBER of his name

With the world being minutes, if not seconds to the midnight of the great tribulation that will change the current world order and bring about the prophesied fourth beast kingdom with its ten worldwide rulers, the question that many Christians have asked themselves is, who is this little horn antichrist that comes after them? Though many have made many modern theoretical views, the perfect calculation to his six hundred, sixty and six number gives the perfect answer that turned out to have always been available for the Christian world for almost 2000 years, not by looking for an end-times ascending politician (with Daniel 11:21-35 having been fulfilled in Epiphanes) but by rightly looking for a resurrected antichrist-world, “savior” who will be first seen in Revelation 11, being manifested worldwide in his war against the Two Witnesses at the end of their 3 years, 5 months and 11 days prophetic ministry, the man of sin ascending from the bottomless pit almost 2,600 years after his death.

Forever and ever, Glory to God alone.
